PURCHASING A SUPERSITE CODE

<u>This class requires technology access.</u> This access allows you to complete and submit assignments and tests; access all media and study tools; receive announcements; and communicate with your instructor.

<u>Shop smart: only buy books that include the required code!</u>

You will spend more if you purchase the textbook and code separately. New textbooks purchased at the bookstore will include this code. Most books that are sold online or used DO NOT include the access code. Always check that what you are buying includes the code.
